The Planning Commission is a seven-member body, appointed by the City Council, which makes recommendations to the City Council regarding the adoption, amendment, or repeal of general or specific plans, and regulation of the future physical land use development, redevelopment, rehabilitation or renewal of the City, including its Capital Improvement Programs. The recommendations to the Council regarding land use development regulations include, but are not limited to, zoning and subdivision recommendations. The Commission may make the ultimate decision on Conditional Use Permits, and acts as an appellate body for those persons dissatisfied with the Planning Director's decisions on land use and development matters. The Commission certifies the adequacy of Environmental Impact Reports.
