

## **NOTICE OF A COMMUNITY MEETING FOR THE AIRPORT OBSTRUCTION STUDY**

**Thursday, December 14, 2006  
6:30 PM – 8:00 PM**

**San Jose City Hall  
Room Wing 120  
200 East Santa Clara Street  
San Jose, CA**

The purpose of this community meeting is to present information and to hear community comments/feedback about the Airport Obstruction Study. The City of San Jose has prepared an Airport Obstruction Study to identify potential maximum building heights in the Airport vicinity based on existing high-rise buildings and Federal Aviation Administration (FAA)/airline imaginary surfaces.

The City of San Jose has prepared a City Council memorandum recommending refinement of downtown development policy to establish height restrictions on new high-rise development to protect existing and future commercial airline service at Norman Y. Mineta San Jose International Airport. The memorandum is available on the City's website at: <http://www.sanjoseca.gov/clerk/agenda.asp>. The Council Agenda date is 12/5/06 Item 9.1.

If you have any questions or comments prior to the meeting, please contact Ron Eddow in the Planning Department at 408-535-7848 or the e-mail address: [ron.eddow@sanjoseca.gov](mailto:ron.eddow@sanjoseca.gov).
