AT FORMER UPRR BETWEEN ALMADEN EXPRESSWAY AND POMONA AVENUE
(CITY FILE NO. SP06-078)**

Location: Washington Area Community Coalition, 136 W. Alma Avenue
Date: Thursday, November 9, 2006
Time: 6:30 p.m. – 9:30 p.m.

Dear Neighbor,

Stucco Supply Co and City of San José Planning Division staff would like to invite you to a community meeting on the proposed Special Use Permit for the area depicted on the attached map. This is a Special Use Permit Application to modify a former Union Pacific Railroad R-O-W and convert the use to an outdoor storage area and parking area. This increased parking and storage area would allow for better truck/vehicular circulation and additional material and vehicle storage.

Community Meeting: This project will be presented as an item on the agenda at the monthly Washington Area Community Coalition meeting. The first part of the presentation will be an introduction to the proposed Special Use Permit. The applicant will present an overview of the proposed project, and City staff will explain the Special Use Permit process. There will also be an open forum for questions and comments.

Your participation at this early stage of the planning process will help us analyze the Special Use Permit request. If you have any questions before the meeting or during the process, please contact:
