Time: 6:30 pm to 8:30 pm.

Dear Neighbor:

Taylor Woodrow Homes and the City of San Jose Planning, Building and Code Enforcement, would like to invite you to a community meeting for the proposed Planned Development Permit Amendment for a 11.6 acre site located at the northeast corner of Old Berryessa Road and Oakland Road/13th Street. The Planned Development Permit Amendment would allow weekend work to occur on Saturdays from 9AM to 5PM and allow the Planning Director to approve extended work hours for special construction necessities.

This item will be discussed at the 13th Street Neighborhood Advisory Committee meeting. The applicant will present an overview of the proposed project and its expected impacts on the neighborhood. City staff will provide an overview on the Planned Development Permit Amendment process. There will then be a period for questions and comments.

The file is available for review at the City of San Jose Planning Department, 3rd floor. Your participation at this stage of the planning process will help us make a recommendation to the Planning Commission for the project.
