Preferred Plan Workshop

Monday, June 11, 2007

6:00–8:00 p.m.

(Open house 5:30–6:00 p.m.)

Santa Clara Senior Center

1303 Fremont Street (at Monroe Street), Santa Clara, CA

Come and brainstorm on the Preferred Plan for the Santa Clara Station Area!

The Preferred Plan represents an important milestone in planning for land around the Santa Clara Station. Concepts for the Preferred Plan are based upon extensive community visioning and input gathered during the first two phases of the planning process. Reports summarizing technical work, two previous community workshops (on visioning and alternatives) and stakeholder meetings are available on the project website at <http://www.SantaClaraSAP.com>.

On Monday, June 11, community members are once again invited to join staff from VTA and the cities of Santa Clara and San José for the Preferred Plan Workshop. The third in a series of community workshops for the Station Area Plan, this event will focus on the major land use and connectivity concepts of the Preferred Plan. The workshop will be preceded by an informal open house from 5:30-6:00 p.m. where staff from the cities of Santa Clara and San José, VTA, and the consultant team will be available to answer questions about the project and planning process. This session will be followed by the workshop from 6:00 to 8:00 pm, where participants will review and comment on concepts and key components of the Preferred Plan. This input will be used by the planning team to refine concepts for development of the Draft Station Area Plan.

For further information on the project, go to <http://www.SantaClaraSAP.com>; or contact Debby Fernandez at 408-615-2450, City of Santa Clara Planning Division; Licinia McMorro at 408-535-3555, City of San José Planning Services Division; or Leyla Hedayat at 408-321-2300, VTA Planning and Development Division.

We look forward to seeing you!

**Parking will be available at the Senior Center.*
