Dear Neighbor:

La Toluqueña Taqueria and the City of San Jose Planning, Building and Code Enforcement, would like to invite you to a community meeting for a proposed Special Use Permit for a site located on the southwest corner of McKee Road and North King Road (1696 McKee Rd). The Special Use Permit would allow the operation of a Mobile Catering Truck within 150 feet of a residence and outside the hours of the fixed base host on a 0.45 gross acre site.

This item will be discussed at the Five Wounds/Brookwood Terrace Neighborhood Advisory Committee meeting. The applicant will present an overview of the proposed project and its expected impacts on the neighborhood. City staff will provide an overview on the Special Use Permit process. There will then be a period for questions and comments.

The file is available for review at the City of San Jose Planning Department, 3rd floor. Your participation at this stage of the planning process will help us make a recommendation to the Planning Commission for the project.
