

NOTICE OF COMMUNITY MEETING

**REID-HILLVIEW AIRPORT INFLUENCE AREA OVERLAY
GENERAL PLAN AMENDMENT
CITY FILE NO. GP08-08-01/GPT08-08-01**

Location: Hillview Branch Library - Community Room
1600 Hopkins Drive, San Jose, CA 95122
Date: Thursday, March 13, 2008
Time: 6:30 p.m. – 7:30 p.m.

Dear Neighbor,

The City of San José Planning Division staff invites you to a community meeting on the proposed General Plan amendment to add an Airport Influence Area Overlay to the vicinity of the Reid-Hillview Airport in the Land Use/Transportation Diagram of the San José 2020 General Plan. The area to be incorporated into the proposed Overlay is generally bounded by Interstate 680 to the north, Aborn Road to the south, White Road to the east, and U.S. Highway 101 to the west (see map on reverse). The Overlay provides consistency between the City's General Plan and the County of Santa Clara's Airport Land Use Commission-adopted Reid-Hillview Comprehensive Land Use Plan, which is intended to safeguard the general welfare of the inhabitants within the vicinity of Reid-Hillview Airport and those who use the Airport.

Community Meeting: At the meeting, City staff give an introduction to the proposed General Plan amendment, explain the purpose of this General Plan amendment process, and discuss the issues related to the proposed Overlay.

Your participation at this stage of the planning process will help us analyze the General Plan amendment request. If you have any questions before the meeting, please contact:

City of San Jose
Planning Services Division:
Project Manager: Allen Tai
Phone: (408) 535-7866

GP/GPT08-08-01 City Council Initiated - GENERAL PLAN AMENDMENT to establish an Airport Influence Area Overlay in the Land Use/Transportation Diagram within the vicinity of the Reid Hillview Airport. (Various, Owner/City of San Jose, Applicant)

Existing General Plan Designation:

No overlay

Proposed General Plan Designation:

Airport Influence Area Overlay

Explanation:

The Santa Clara County Airport Land Use Commission adopted the Reid Hillview Airport Comprehensive Land Use Plan (CLUP) on October 24, 2007. State law requires that the City bring its General Plan into conformance with the Comprehensive Land Use Plans within 180 days of adoption. The purpose of this proposed Airport Influence Area Overlay is to provide consistency between the City's General Plan and the CLUP. Implementation of the CLUP is intended to safeguard the general welfare of the inhabitants within the vicinity of Reid-Hillview Airport and those who use the Airport. The impacts of aircraft noise and potential safety hazards to persons and property on the ground are primary considerations. Future development within the Overlay area would be subject to the safety and compatibility guidelines of the CLUP.
