Station Area Plan Open House

Monday, July 21, 2008

6:00-8:00 p.m.

Santa Clara City Hall, Council Chambers

1500 Warburton Avenue, Santa Clara, CA

Come and see the Draft Station Area Plan!

The Draft Station Area Plan has been completed, and represents almost two years of community involvement and careful planning. Strategies for the Plan are based upon extensive community visioning and input gathered throughout the planning process, and include an emphasis on walkability, mixed, vibrant land uses, and enhanced transit access for Santa Clara. Reports summarizing technical work, three previous community workshops (on visioning, alternatives, and the Preferred Plan), and stakeholder meetings are available on the project website at <http://www.SantaClaraSAP.com>.

On Monday, July 21, community members are once again invited to join staff from VTA and the cities of Santa Clara and San José for an informational Open House on the Draft Station Area Plan. The final step in a series of community workshops for the Station Area Plan, this event will allow community members to read, view, and ask questions about the Plan. City staff and consultants will be on hand to explain, answer any questions, or offer feedback on the Plan and planning process.

For further information on the project, go to <http://www.SantaClaraSAP.com>; or contact Debby Fernandez at 408-615-2450, City of Santa Clara Planning Division; Jenny Nusbaum at 408-535-3555, City of San José Planning Services Division; or Leyla Hedayat at 408-321-2300, VTA Planning and Development Division.

We look forward to seeing you!
