

COUNTY ISLAND ANNEXATION PROGRAM

NOTICE OF COMMUNITY MEETING

Wednesday, July 22, 2009

6:30 - 7:30 PM

**Rose Garden Branch Library, Community Room
1580 Naglee Avenue, San Jose, CA 95126**

Dear Resident, Tenant, or Owner,

You are receiving this notice because the City of San José, in conjunction with the County of Santa Clara, is in the process of annexing your property and surrounding unincorporated territory (as shown on the attached map). This process will transfer your property from the County of Santa Clara into City limits. In addition to receiving urban services from the City, residents living in annexed land will also be eligible to vote in City elections. It is anticipated that the City Council will consider the proposed annexation in November 2009.

A community meeting regarding the proposed annexation and proposed zoning designations will occur as identified above. The community meeting will consist of the following:

1. A short presentation on the County Island Annexation Program.
2. An overview of the changes you can anticipate upon annexation.
3. Presentation of the proposed zoning designations for the area.
4. City staff will be available to answer questions.

Attached is a summary of the process and services changes. Complete information on the annexation process is available in the Annexation Answer Book on the web at

sanjoseca.gov/planning/annex/docs/AnswerBook.pdf or contact us to request a copy by mail.

Additional information is also available on the County Island Annexation website at:
