

EVERGREEN VISIONING PROJECT

(*Evergreen Smart Growth Strategy*)

Potential Community Amenities and Transportation Improvements

1. Completion of the Thompson Creek Trail and any logical connections to proximate open spaces, nearby schools, etc.
2. A sports field complex for Little League and/or soccer (no specific location).
3. Lake Cunningham Skate Park.
4. Planned park needs identified in the *Greenprint* for Evergreen (east of 101, south of Tully, and north of Yerba Buena), including one park with tennis courts.
5. Fowler Creek Park Master Plan, including swim center.
6. Open space along the Foothills for hiking, jogging, and other recreational use.
7. Recreational ice skating rink.
8. Neighborhood skatepark(s).
9. New Library in Evergreen (no specific location).
10. Youth Center in Evergreen (no specific location).
11. SNI Plan Top Ten capital improvements.
12. Quality retail, including:
 - ~~///~~ A variety of restaurants for all socioeconomic levels.
 - ~~///~~ A Trader Joe's in Evergreen (no specific location).
 - ~~///~~ A bookstore (large) in Evergreen.
13. Additional government/public services, including:
 - ~~///~~ A full-service post office.
 - ~~///~~ A DMV.
 - ~~///~~ Police substation.
14. Reduce backlog of underground utility needs, as appropriate and feasible.
15. Reduce backlog of sidewalk needs, as appropriate and feasible.
16. Either a storefront community policing or a police substation.

Evergreen Visioning Project

Potential Community Amenities and Transportation Improvements
