

Task Force Tour

Saturday June 28, 2008 (8:30am-1:00pm)

Purpose - Learn more about the existing “fabric” of San Jose and potential development opportunities as a basis for formulating land use and transportation alternatives.

- Case Studies - See a variety of residential, employment shopping and mixed use developments.
- Opportunity Areas – Identify possible locations for new housing, employment, mixed use, parks etc.
- Challenges – Become familiar with some challenges facing San Jose.
- Discussion – Share, ideas and information with fellow Task Force members, staff and the public.
