

**Subject:** Comments to Envision SJ Task Force, 5/26/09

Dear Mr. Crabtree,

Please distribute my comments to the Envision San Jose Task Force.

For San Jose's vision to be a truly Green Vision, please vote to include an environmental alternative that places all development within the existing urban footprint. Please vote to remove the urban reserve designations from Coyote Valley (including North Coyote Valley) and Almaden Valley. What is needed is a reduced scope environmental alternative allowing for reasonable job growth and corresponding housing. We owe this to future generations. Thank you.
