

Subject: Please Vote No in Developing Almaden / Coyote Valley Farmland

Dear Mr. Crabtree,

As San Jose 's Principal Planner, I am asking that you vote against any new development in Almaden or Coyote Valley , including North Coyote Valley . I fear that massive traffic jams could result from exporting housing south and east into other counties plus you would lose some of the last remaining farmland in the Bay Area.

The city should consider a more-reasonable level of job growth, matched with sufficient housing, and should require no sprawling of the city outward into any part of the farmlands.

I would ask that you do a reduced-scope environmental alternative that allows reasonable job growth and sufficient housing to accommodate new employment. Please distribute my comments to the Envision San Jose Task Force.

Sincerely,

Jessica Vernon
