Interim Vice President, Instruction
DeAnza College
21250 Stevens Creek Blvd.
Cupertino, CA 5014

Dear Dr. Espinosa-Pieb:

The Chancellor's Office hereby approves DeAnza College's Certificates of Achievement as listed below. These programs have been entered into the Inventory of Approved Programs under T.O.P. code 0115.00, with career technical education status.

- Certificate of Achievement in **Environmental Stewardship (Advanced)** with unique program code **18901**.
- Certificate of Achievement in **Wildlife Corridor Technician** with unique program code **18905**.

The California Postsecondary Education Commission (CPEC) has authorized the Chancellor's Office to proceed to final approval, without its review, on many new community college programs, except programs of certain types that are of special interest to CPEC. These programs are not a type that has been reserved for individual CPEC review and concurrence. Therefore, our approval is effective with this letter.

Good luck with these new programs. If there are any questions about our action, please contact Stephanie Low, Specialist in Academic Planning, at (916) 322-6888, fax (916) 445-6268, or e-mail to low@s@ccco.edu.

Sincerely,
