(FILE NO. PDA08-039-01)

Location: 1922 The Alameda, Room 106, San Jose, CA 95126

Date: March 17th, 2009

Time: 6:00 p.m.

Dear Neighbor,

The City of San Jose Planning Division would like to invite you to a community meeting about a proposed development in your area (see map). Planning staff will be facilitating the meeting, providing you an opportunity to learn about the proposal and get answers to your questions. We are very interested in your input on this proposal and encourage your attendance at this meeting. We will consider all comments during our evaluation of the proposal.

Proposal : Amend the PD Permit for the property commonly known as 1270 Campbell Ave. (APN: 230-14-026.) The site consists of approximately 5.18 acres and straddles the border of the City of Santa Clara and the City of San Jose. The PD Permit currently allows for the construction of 259 residential units. The proposal would reduce the number of residential units from 259 units to up to 138 units.

Again, your participation in the planning process will help us analyze the request and consider the community's input. If you have any questions before the meeting or during the process, please contact:
