Dear Neighbor,

The City of San Jose Planning Division would like to invite you to a community meeting about a proposed development in your area (see map on reverse). Planning staff will facilitate the meeting, providing you an opportunity to learn about the proposal and get answers to your questions. We are very interested in your input on this proposal and encourage your attendance at this meeting. We will consider all comments during our evaluation of the proposal.

Proposal: Site Development Permit Amendment to allow the installation of a 60-foot tall, free-standing sign adjacent to Interstate 880, which includes a 378 square-foot digital display area with a changing message on the Westfield Valley Fair shopping center site. The sign location is proposed on the northeast corner of the site, adjacent to Monroe Street and Forest Avenue in the CG Commercial General Zoning District (see map on reverse side).

Again, your participation in the planning process will help us analyze the request and consider the community's input. If you have any questions before the meeting or during the process, please contact:
